MEMORANDUM FOR THE RECORD:

SUBJECT: Forthcoming Inspections of COMMO Field Installations

25X1C4a 1. As suggested by Mr. [REDACTED] and the writer 25X1A9a
called on Mr. [REDACTED] and discussed with him
the inspections of COMMO installations which we propose to make in
25X1C4a the Middle East area. The composition and purpose of the team was
explained to Mr. [REDACTED] whereupon he questioned closely the points
to be visited and the locations of the installations that we would
inspect.

25X1C 2. Upon learning that the facilities were all under [REDACTED] 25X1C4a
he called attention to the jurisdictional responsibility of [REDACTED] 25X1C4a
[REDACTED] 25X1C4a

25X1A 3. In response to his question concerning the amount of techni-
cal equipment to be taken in by the team, [REDACTED] was told that this 25X1C4a
could only be determined after we learned what, if any, equipment
was available in the field. 25X1C4a

25X1C4a

1. Arrangements are being made by this office for a security inspection of our communications activities throughout the Middle East. Inasmuch as most of these activities are incorporated in [REDACTED] facilities for whose security your office has jurisdictional responsibility, I suggested that our Inspection Staff call on you to discuss the program and obtain the benefit of your suggestions. They have advised me of their meeting with you and your offer to assist them by arranging for one of your technicians to meet with them and lend his support and equipment in strengthening [REDACTED] of your office is gratefully received.
